

ANNIE & THE HEDONISTS

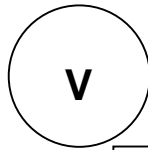

SOUND DIAGRAM

Individual Vocal Mikes

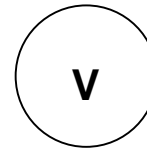

BASS AMP WITH
DIRECT OUT

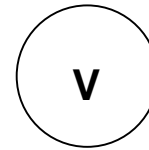

Don

JONNY
(1 GUITAR)

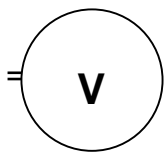

ANNIE

Peter
(tenor guitar)

STAGE FRONT

= VOCAL MIC

= Direct Input

For a larger room we definitely prefer at least two monitors with individual mixes. If that is not possible than a single mix that is the same as what is coming out of the front speakers is preferred.

The vocals should be prominent over the instruments.

NOTE: If Peter uses the keyboard, then it should be set up so that his vocal mike is accessible at the keyboard, stage right.
